

In December 2020, the Vanier Museopark is organizing a local art sale in the temporary exhibition gallery. (The start date will be decided upon completion of the renovations of the museum floor, scheduled for November 2020)

This project's goal is to showcase regional artists who wish to put their artwork up for sale as well as helping to raise funds for the reconstruction of the Vanier Sugar Shack.

In order to participate, **the artist agrees to sell each of their pieces for the set price of \$200.** (We trust that the artist will present artwork of which the value is estimated at 200\$)

Once the exhibition has ended, the artist will receive \$150 for each artwork sold, paid by cheque during the month of January 2020. The unsold pieces can be retrieved from the Museopark, before February 2020.

Finally, for each artwork sold, 50\$ will go towards the reconstruction fund of the Vanier Sugar Shack, that succumbed to fire on August 27th 2020.

The artist, whether amateur or professional, may only submit artworks that they themselves created.

The choice of medium (painting, collage, photography, glasswork, sculpture, textile, etc.) is up to the artist and each artist can enter a **maximum of 5 pieces.**

The artwork must be brought to the Museopark by the artist (300 des Pères Blancs avenue – 2nd floor of the Richelieu Vanier Centre – Ottawa ON K1L 7L5) **before November 13th 2020.**
