

In December 2021, the Vanier Museopark is organizing a local art sale in the temporary exhibition gallery. (The start date will be decided upon completion of the renovations of the museum)

This project's goal is to showcase regional artists who wish to put their artwork up for sale as well as helping to raise funds for the reconstruction of the Vanier Sugar Shack as well as for our non-for-profit community museum.

In order to participate, **the artist agrees to sell each of their pieces to the Museopark for the set price of \$200** (We trust that the artist will present artwork of which the value is estimated at 200\$). The Museopark then hopes to resell the pieces to the public for the price of \$200. Once the exhibition has ended, the artist will receive \$150 for each artwork sold to the public, paid by cheque during the month of January 2022. The artists agrees to donate \$50 per artwork towards the reconstruction fund of the Vanier Sugar Shack, that succumbed to fire on August 27th 2020 and to other program (school, research, ...) of the Vanier Museoparc. The pieces that were not sold to the public, can be retrieved from the Museopark, before February 2022. The present sale contract will be cancelled for the artwork that was not sold.

The artist, whether amateur or professional, may only submit artworks that they themselves created.

The choice of medium (painting, collage, photography, glasswork, sculpture, textile, etc.) is up to the artist and each artist can enter a **maximum of 5 pieces**.

The artwork must be brought to the Museopark by the artist (300 des Pères Blancs avenue – 2nd floor of the Richelieu Vanier Centre – Ottawa ON K1L 7L5) **before October 29th 2021**.
