

Dear members of the administration and teaching staff,

It is with great pleasure that the Vanier Museopark invites your school to participate in the 38th edition of the Sugar Festival! The school days will be held on **Wednesday, March 29 and Thursday, March 30, 2023**, and they promise to be full of activities and surprises for the children!

In addition to a **45-minute musical performance**, your students will be able to discover our **educational spaces, walk through an urban maple sugar bush, meet sled dogs, listen to traditional tales and learn more about Indigenous culture**. We also have a room available for a **45-minute lunch**. Please note that children must bring a cold lunch - nothing will be served on site.

All this for only **\$9 per student** (FREE for teachers and accompanying adults). A taffy on snow is included for children (\$3 per adult).

Since space is limited for this must-see event of the sugar season, we invite you to register now by filling out the form below. Bookings will be on a first-come, first-served basis.
